

29th Annual
Mitchell Columbus Day Regatta
Friday, October 5 – Monday, October 8, 2012

The Earl Mitchell Columbus Day Regatta is an annual race from Newport to Block Island started by Newport Yacht Club member and past commodore Cliff Mitchell and is named in honor of his father. The regatta is a relaxed event with an emphasis on fun. The race is non-spinnaker only and uses a staggered start with starting times based on PHRF time-on-distance. One-design classes are also possible with a minimum of three boats required for a class. First, second, and third place trophies are awarded in each class, and the John E. Rebello team race recognizes the best combination of finishes amongst teams made up of three boats from different classes.

Dockage

Everyone stays at Paynes Dock. Docking is Mediterranean style (stern to) and basically by the size of the boat. We like to get similar sizes together. Paynes Dock does not monitor the radio. Communication is by hollering, whistles. It takes a while to get this many boats secured so please be patient.

Daily dockage rates are as follows:

20 to 30 feet \$27.00
31 to 40 feet \$31.00
41 to 90 feet \$36.00

Paynes Dock likes cash, but will also take checks and credit cards. Bring plenty of quarters for the showers.
