

Help Someone Else

Give Blood

Newport Yacht Club

Sponsor Code 0650

Hope is on the Horizon!

Every two seconds someone needs blood.

You are the hope for patients in need.

Doctors and nurses cannot save lives without blood donors.

As the beautiful spring weather arrives and things begin to open up again, we are concerned blood donations will quickly fall below safe levels.

Please remember, just a little of your time can mean a lifetime for someone else.

Give blood.
