

## Junior Sailing Could Use Your Help

Each summer, 130 youths enjoy time on the water through the Newport Yacht Club Marine Adventure Camp. The Camp provides a unique experience for Campers ages 8-15 and is open to Campers with any level of sailing experience or background. The Marine Adventure Camp is a unique alternative to the many racing programs available on Narragansett Bay, building Camper confidence and life-long skills.

The goal is to keep the program affordable, so the fees charged do not cover the full cost of operating the program, requiring the raising of additional funds. Fortunately, through the generosity of donors, 15% of the campers who participated in the program last year received scholarships. Scholarship donations are great and much appreciated, however, those donations are restricted specifically for scholarships.

Unrestricted donations are needed to help cover other program costs such as fleet maintenance, fleet replacement and increased costs for salaries, fuel and insurance.

How can you help you ask? Easy, sponsor one of the Junior Sailing boats. Simply decide on a name which could be your spouse, family, your pet, a favorite location. . . your choice and it will be placed on one of the boats in the Junior Sailing fleet. Your generous \$500 donation will go a long way to help keep the Newport Yacht Club Junior Sailing program one of the top programs on Narragansett Bay.
